EDUCATION

University for Business and Technology
Bachelor of Computer Science and Engineering

September 2022-Present

SUMMARY

Ambitious Developer versed in conducting functionality and compatibility tests to support project goals. On my way to a Bachelor Degree on Computer Science and Engineering combined with 5 years of successful work and Trainings history. Excellent coder with high-level task prioritization and project management abilities. Reliable candidate ready to take on challenges using problem-solving and task prioritization skills to help team succeed. Dependable employee seeking opportunity to expand skills and contribute to company success. Considered hardworking, ethical and detail-oriented. Stays on top of demands in fast-paced environments by effectively using slow periods. Maintains organized, clean, and safe work areas with diligent attention to important details.

EXPERIENCE

StarLabs
Web Developer Intern

Prishtina, Kosova
April 2022 – July 2022

- Implemented changes to make website more successful, functional and usable.
- Deployed web capabilities to assist with data life cycle management.
- Evaluated code to verify compatibility with browsers, devices and operating systems.
- Created customer outreach and communications mechanisms through company website.
- Implemented quality code to develop, prototype and refine web-based business solutions.
- Analyzed website analytics data to identify areas for improvement in user experience or site performance.
- Collaborated with team to implement design changes, new UI components and new functionality.
- Participated in weekly meetings to discuss project progress, goals, and potential roadblocks.
